The image shows a screenshot of an event card in an admin interface. The card is titled "An Evening with Fauda TV star Lior Raz" by NEXTGen Detroit, scheduled for Monday, June 12, at 10:00 AM. The card is currently in a "LIVE" status, as indicated by the highlighted button in the "INFORMATION ABOUT EVENT" section. Other status options include DRAFT, SCHEDULED, PAST, CANCELED, and ARCHIVED. The card also features a "TEST EVENT" button, "PRIVATE URL" and "PRIVATE LIST" options, and location settings for "VIRTUAL" and "HYBRID". The pricing section shows "FROM \$50" and "PRIVATE URL" with a note: "For too long numbers use abbreviation with 'k'". The card also displays "SOLD \$35200" and "TICKETS 11265/111265". The "PAID TICKETED" section includes "NOT YET ON SALE", "ON SALE", "ON HOLD", and "SOLD OUT". The "ALL FREE" section includes "NOT YET AVAILABLE", "REGISTRATION OPEN", "ON HOLD", and "REGISTRATION CLOSED".
