

# Donations

Jlive is able to collect Donations when people Register for Events.

**Here is how it looks to Registrants:**

**Would you like to make a donation to Federation CJA?**  
Your donation will help feed hungry children.

☒ \$5 ☐ \$10 ☐ \$15 ☐ \$25 ☐ Custom Donation \$0

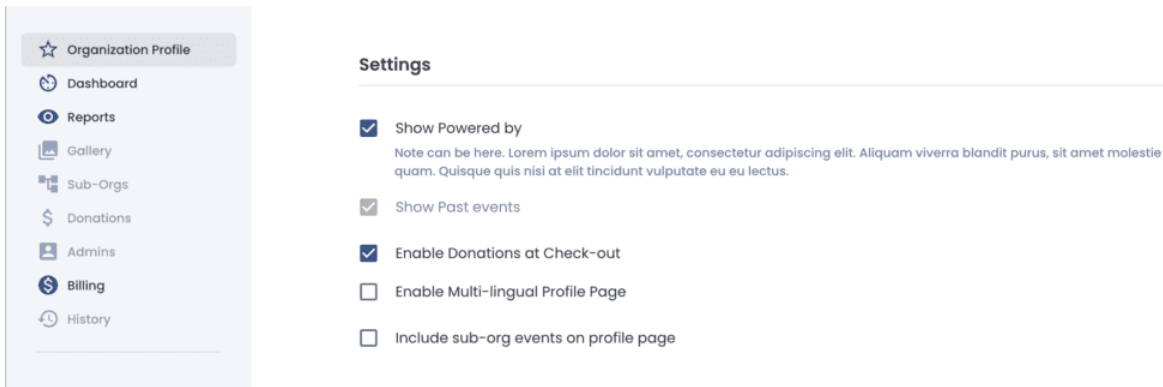

The screenshot shows the Jlive registration interface. At the top, a blue header contains the 'jlive' logo and a progress bar with three steps: 'Tickets' (completed), 'Registration' (current step), and 'Order' (upcoming). The main content area is divided into two columns. The left column contains the donation prompt: 'Would you like to make a donation to Federation CJA? Your donation will help feed hungry children.' Below this are five radio button options: '\$5' (selected), '\$10', '\$15', '\$25', and 'Custom Donation \$0'. A red note states 'Minimum \$150 Donation Required Per Order'. Below the donation options are sections for 'Send Tickets To' (with the email 'existinguser@gmail.com'), 'Payment Method' (showing 'Visa \*\*\*\* 5432'), and a 'COMPLETE REGISTRATION' button. The right column features a profile picture of a man, the event title 'Fauda TV star Lior Raz', a 'by The Well' badge, a 'APR 18TH - 3:30PM' badge, a 'Promo Code: XX - AA - XX - BB', and an 'Order Summary' table. The table lists: Tickets (2) at \$100, Add-ons (2) at \$50, Tax at \$0, Promo code at \$150, and Donation at \$50, resulting in a TOTAL of \$350. At the bottom of the right column, it says 'ORGANIZED BY Federation CJA'.
