Message Registrants

Event Admins can send an email message to Event Registrants.

Admins can choose whether to send to All Registrants, Checked In, Not Yet Checked In, Cancelled etc... Admins can choose the subject line and body text. Recipients of the email messages can optionally Opt-Out of emails for that event without opting out of other types of messages.

The screenshot displays the Jilive Messages interface. On the left is a sidebar with navigation options: Event Dashboard, Registrants, Orders, Messages (highlighted), Registration Questions, Feedback, and Promotion. The main content area shows a list of messages under the heading "Messages (1234)". A "CREATE MESSAGE" button is located in the top right corner of the message list. The message list has the following columns: DATE, AUDIENCE, RECIPIENTS, SENDER, and SUBJECT. Each row includes a "VIEW MESSAGE" button.

DATE	AUDIENCE	RECIPIENTS	SENDER	SUBJECT
